All of our beef is the highest quality Wagyu selected exclusively by Josh's Premium Meats. Josh works tirelessly with the finest farms in Japan and hand selects only the finest cuts for the restaurant. Our steaks are served grilled and finished in our Jospier oven. Due to the high demand and rarity of our Wagyu selection, our exotic beef rotates based on availability. We are proud to be the only restaurant in Miami carrying the most exquisite and prized cuts of Wagyu in the world.
